Invitation to the 'Masters Circle' challenge

We would like to invite all past major winners (Streeton Award – Roberts Award – McCubbin Award) to be part of our inaugural 'Masters Circle' challenge in this year's Streeton Roberts & McCubbin Awards as part of our 100yr celebrations for our Gallery building 1923 - 2023. For some time we have felt the need for an Award for professional artists to complete our recognition of all levels from Emerging to Professional.

As we will be celebrating the history of our Society as our building as part of our fundraising drive to restore her for her 100th birthday (1925) it was decided to invite all previous winners of the Streeton, Roberts & McCubbin Awards for our very first Challenge. Those who enter will be showcased in an historical publication we are working on about our building and the many artists drawn to Sherbrooke.

Each artist who competes will have a number indicating the award & year that they first won (eg: 1993-S =John Duncan Firth - Streeton Award). This years 'Challenge' is to create a work inspired by one of the 3 artists - Streeton, Roberts or McCubbin. We are not asking for a direct copy but one that pays homage to their technique, or a similar composition of one of their works. You may want to revisit a location to paint a landscape from the same view as Streeton or paint a portrait reminiscent of one by Tom Roberts.

You can interpret it in your own unique way or just use a section of a larger work for reference and develop it from there. You may include within your painting a small copy of one of their works but it must not be the only focus as seen in 'Reflections upon Tom Roberts' by John Duncan Firth which shows a relative also named 'Tom' reflecting on paintings by Tom Roberts.

Next years 'Challenge' will have a different Theme and we are in gathering sponsors for Awards & prizemoney which has been decided to be :-

A 'Masters Circle' Award trophy/medallion - \$500 cash plus \$250 Art Supply voucher =\$750 prize

This invitation is food for thought so you can make an early start. Intake will be May 20th and the Opening will be held on Saturday May 27th at 2pm so that gives you 3 months to develop your entry. We are looking forward to seeing some fabulous works from many of you who have earned the right to enter the 'Masters Circle'.
